

Benefitting **ALLOWTHECHILDREN**

EDUC8-K

Sponsored by the **Community Outreach Team of Timberlake Baptist Church**

Dear Area Business,

The Community Outreach Team of Timberlake Baptist Church is pleased to announce the Second Annual EDUC8-K and 1-K Children's Fun Run's will be taking place on August 27, 2011. This year's race will be benefitting Allow the Children's Community Health Education Project in Nepal!

Allow the Children, established in 2003, is a local charity that provides the message of God's word and does relief work in 7 countries. One of Allow the Children's ministries in Nepal is the Community Health and Education Project which reaches into the remote mountain villages bringing the Gospel and lifesaving skills to people who may have never heard the name of Jesus. The Nepali evangelists go in to these villages teaching health, hygiene, literacy and farming, as well as the gospel. Allow the Children equip these evangelists and their families with the supplies, education and support they need to continue this life and soul saving work. For more information on this project or other ministries through Allow the Children please visit them at www.allowthechildren.org.

Through the EDUC8-K and 1-K Children's Fun Run, we hope to positively influence the world around us, the community in which we live and the individuals participating in the EDUC8-K. Our hopes on a global scale are to provide education to those in need by raising funds to benefit Allow the Children's ongoing work to provide lifesaving education to communities in Nepal and environs. Our local goals are to bring a community together in an event to raise global awareness and to share the common goal to make a difference, for good, in the world outside our city. Lastly, our goal for the individual is to motivate each participant to get active and improve their health through exercise and training for this race.

We are asking for you to help us make this race a successful event for all. Sponsorship opportunities are outlined on the next page. Your monetary donation will support the EDUC8-K & 1-K Children's Fun Run, with race proceeds benefiting Allow the Children's Community Health Education Projects. If there is a different type of sponsorship such as a door prize, raffle prize or service that might be more appropriate for your organization we would be grateful and excited to talk to you. Our contact information is listed below. Please send your donation with the completed sponsorship form by August 1, 2011 to ensure recognition of your much appreciated support to:
